

## Nyle's Unmatched Experience

Through our more than 40 years in business we have gained a ton of experience in drying all types of lumber. Whether you're looking for a complete turn-key kiln system or for specific components, you have come to the right place. The Nyle team is committed to providing support with any questions, whether it's mechanical, electrical, or just how to get the best results from the drying process.

## Nyle's Online Kiln Store

Looking for kiln parts? At Nyle's online kiln store you can find parts to customize and modify your kiln, even if it is not made by Nyle Systems.

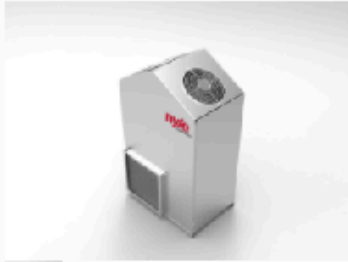

We offer NSC 100 controls for any kiln, even if it's not made by Nyle Systems. These controls are the very latest in kiln control technology and allow you to control your kiln remotely with the use of a smartphone, laptop or other mobile device and an internet connection.

Complete Kilns are also available on the online kiln store. We offer top of the line drying systems including dehumidification and high temperature series lumber kiln dryers.

Here's what else we offer on the Nyle Systems Online Kiln Store:

- Carts
- Doors & Kits
- Fans & Kits
- Gaskets
- Spray Systems
