Dry Kilns

Efficiency. Quality. Speed. Performance. Outcome.

L53 Dehumidification Unit

Starting at \$3,995

Quality lumber drying is now more affordable and easy to accomplish with Nyle's L53. The compact, high-performance dehumidification system will dry between 300 and 1000 board feet of lumber.

The L53 comes with two internal fans, kiln control, and a powered vent kit. Whether you are a serious hobbyist or an accomplished professional, the L53 delivers superb results load after load.
